HOT LINE NUMBER [Class of Pesticide]	(888) 453-5961
Have the product container or label with you when calling poison control centre or doctor, or going for treatment. You may also contact 1-(888)453-5961 for emergency medical treatment information.	

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labelling.

Copperblock containers inhibiting the growth of roots. Copperblock containers prevent or slow down cell division in the root tips when they come into contact with the treated interior wall of tree seedling containers. Copperblock containers prevent root spiraling of container grown root stock and aids in the development of a more natural root system.

Copperblock containers can be used with pine seedlings normally grown in containers. Copperblock containers may be filled with soil and plants in the normal manner. No special preparation or soils are required.

Personal Protective Equipment

- Long-sleeved shirt and long pants, shoes and socks, and chemical-resistant gloves made of any waterproof material.
- Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions exist, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

User Safety Recommendations

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Users should remove clothing/PPE immediately if pesticide gets inside, then wash thoroughly and put on clean clothing.

Users should remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing. Wash the outside of gloves before removing.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Nonrefillable container. Do not reuse this container to hold materials other than pesticides or dilute pesticides (rinsate). After emptying and cleaning, it may be allowable to temporarily hold rinsate or other pesticide-related materials in the container. Contact your state regulatory agency to determine allowable practices in your state.

Pesticide Storage: Treated tree seedling containers must be stored away from exposure to rain and snow. Store containers under sheltered conditions such as in a warehouse or waterproof covering.

Pesticide Disposal: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Handling: Offer for recycling or reconditioning, or puncture and dispose of container in a sanitary landfill, or by other procedures approved by state and local authorities.

WARRANTY STATEMENT

To the extent consistent with applicable law, Beaver Plastics makes no warranties concerning this product or its use which extend beyond the standard specification for the product. To the extent consistent with applicable law, Beaver Plastics makes no warranties of merchantability of fitness for a particular use, or any other express or implied warranty.
